THIRTEEN TIMES IN A ROW: RÖDL & PARTNER IS THE LAW FIRM OF THE YEAR 2024

Prague, 5 November 2024: Rödl & Partner has one more reason for celebration. In the Law Firm of the Year ranking, our firm was voted Law Firm of the Year in Tax Law for the 13th time in a row, confirming its excellence in this field. It also won recognition in other categories as a highly recommended law firm in health care law, and as a recommended law firm in corporate law, real estate development and real estate projects, mergers and acquisitions and in logistics and transportation engineering.

Tax law occupies a prominent position at Rödl & Partner. Both experienced lawyers and highly qualified tax advisors bring their specialized skill sets to this field. Thanks to their combined expertise, the firm can offer its clients a one-stop solution to all tax issues. The tax litigation team represents the crème de la crème of our tax advisory services.

“Becoming the law firm of the year in the field of tax law for thirteen times in a row is a great honor and an exceptional success, and I accept this award with gratitude for the trust we have been receiving from our clients for all these years,” comments Petr Novotný, the managing partner of Rödl & Partner.

He also adds: “I truly appreciate the opportunity to rank among the best, and I am thankful that our clients and our colleagues recognize us as experts in tax law, a practice area in which we have specialized for a long time.”

Rödl & Partner was historically one of the first advisory firms to build a specialized tax litigation team to represent clients before the tax authorities and courts.

“This thirteenth consecutive success stands as a testament to our expertise, and we're grateful for the continued trust our clients place in us,” notes Jakub Šotník, partner and tax litigation attorney. “Our commitment is to serve as a reliable partner who, by combining deep tax knowledge with innovative approaches, gives our clients confidence in their position before tax authorities and administrative courts. These achievements inspire us to keep advancing and developing solutions that bring our clients stability and certainty in today's dynamic legal environment.”

We are thrilled and grateful that this expertise has been recognized by an award that puts us at the top of the law firm rankings,” added Monika Novotná, partner at Rödl & Partner.

We would also like to give our profound thanks to E-pravo.cz for long-term cooperation and for organizing the Law Firm of the Year awards, which E-pravo.cz has been doing every year for the last seventeen years.

The Law Firm of the Year Award was created in 2008 and was inspired by foreign awards ranking legal firms (Chambers Global, PLC, IFLR 1000, Legal 500), which have a longstanding tradition in the West. In the Czech Republic, the award is announced annually by EPRAVO.CZ. This year's 17th award ceremonies took place under the patronage of the Minister of Justice of the Czech Republic and the Czech Bar Association.
