The intermediation of insurance is carried out by our firm's employees.

We arrange insurance as an independent intermediary, either in the capacity of:

- an insurance broker (under a contract made with the client), or
- an insurance agent (under a contract made with the insurance company).

We are recorded as an independent intermediary in a register kept by the Czech National Bank. You can check our registration on CNB's website at the following link:

https://apl.cnb.cz/apljerrsdad/JERRS.WEB09.DIRECT_FIND?p_lang=cz_

In case of any complaints, our clients, insured persons or any other eligible persons may contact the management of insurance intermediary Rödl & Partner Consulting & Valuation, s.r.o., at the address Platnéřská 191/2, 110 00 Praha 1 or electronically at the e-mail address pojisteni@roedl.com. Complaints regarding the activities of the insurance intermediary may also be addressed directly to the Czech National Bank. A lawsuit against the insurance intermediary may be filed at the court of law having the local and substantive jurisdiction over the case. Disputes may also be settled out of court via an office of a financial arbitrator.

The insurance intermediary is authorised to arrange insurance for insurance companies recorded in the CNB's register at the following link:

- https://apl.cnb.cz/apljerrsdad/JERRS.WEB09.DIRECT_FIND?p_lang=cz
 - Type the name of the insurance intermediary in the name box and click search.
 - Click on "insurance company" or "branch of foreign credit institution" in the row "related legal ties".

The insurance intermediary's direct or indirect interest in voting rights or the equity of the insurance company for which it arranges insurance does not exceed 10 %.

The insurance company for which the insurance intermediary arranges insurance, or the controlling entity of such insurance company does not hold a direct or indirect interest that would exceed 10% of the voting rights or of the equity of the insurance intermediary.

At the client's request, the independent intermediary will inform the client how the intermediary's commission for the insurance arranged for the client is determined.

The independent intermediary receives a commission from the insurance company with which the client enters into the insurance contract. The intermediary does not accept any fees paid directly by the client.
